I was the same till yesterday

Playing by my rules going my own way
Cm
Living a good life
D **Gm** **F/Am** **Bb** **G/B** **Cm**
Until you shined your light on everything inside

All this selfishness and pride
Gm **F** **Gm**
Now I know that I can't hide from you
Cm **Bb** **Cm**
But You said if I will go where you lead me I will know
Gm **F** **Gm** **F/Am** **Bb** **G7/B**
Your ways, your truth, your life.

Your truth is breaking all my rules no doubt about it
Cm **D** **Gm**
And I like leaving that old me behind

Verse 2:

Gm **F**
Give me just a second to clarify,

Gm **Cm**
I thought I was good but I was so blinded by all the lies

I wanted to believe

Gm **F**
Then you came to me with a better way

Gm
You showed me your love, You gave me your grace
Cm D Gm F/Am Bb G/B
And now I see life in a different light

Cm Bb Cm
If I wanna be the first, then I've gotta be the last

Gm F Gm
If I've given it all to you, then you wipe away my past

If I lean on what you say you will be my strength each day

And now I'm watching as you wash my sins away.
