A

On this planet I've been planted

G

But at times I feel more stranded

D7

Cuz the world is not the place of my childhood

A

Daddies leavin', babies dyin'

G

Lovers cheatin', brothers lyin'

D7

Truth is we don't love like we should

C#7/F

So we'll start with the man in the mirror

F#m7

I know what's in my heart

B7

B7/D#

We can't build a bridge before the deconstructing starts...

CH:

D A

Let's break it down one by one

C#m7

F#m7

Cuz a change has gotta come

D

A

(A-A-E A-A-E)

Let's tear down the walls with love this time

D

A

We've witnessed the damage done

C#m7

F#m7

But our words are not enough

D

A/C#

E

No nothing's gonna change until we try

A (opening riff)

One by one

VS 2:

A

Well I know this thing for certain

G

It's gonna take some workin'

D7

But the human heart was made to weather change

A

I'm not talkin' bout a trend here

G

Not some fashionable shed tear

D7

No it's got to be the blood within our veins

C#7/F

So start with the man in the mirror

F#m7

You know what's in your heart

B7

D/E

We can't change the world unless we all be takin' part

CH:

D A

Let's break it down one by one

C#m7

F#m7

Cuz a change has gotta come

D

A

(A-A-E A-A-E)

Let's tear down the walls with love this time

D

A

We've witnessed the damage done

C#m7

F#m7

But our words are not enough

D

A/C#

E

No nothing's gonna change until we try.....

Bridge:

E

C#7/F F#m7

Love and war can't coexist - open your heart, put down your fist

G

D

It's time we love our neighbor like we love ourselves

E

C#7/F

This one thing I know is true

F#m7

G7

The change must start in me and you

This time...that's right....

D

A

So let's break it down...1x1

D

A

So let's break it down...1x1

Eb

Bb

So let's break it down...1x1

Eb

Bb

F -C/G - F7/A

So let's break it down...1x1....This time...

Chorus:

Eb **Bb**
Let's break it down 1x1
 Dm7 **Gm7**
Cuz a change has gotta come
 Eb **Bb** **D7**
Let's tear down the walls with love this time
