F# C#/F#
It's alright you can breathe again
B/F# C#7/F#
The storm has passed and we're still here
F# C#/F#
If you're tired you can rest your head
D#m7 B
On my shoulder...I'll stay near...
B
Though many fall by the wayside
D#m7
Of this path
C# F#/A#
We won't
B
Many fold on the first try
D#m7
But we can't
C#/F
'Cause we know

Chorus:

F# A#m7 B
Love will hold us together
D#m7 F#/C#
None whatsoever could sever
G#m7 B/C#
This bond that we've built
A#m7 D#m7
No love can weather whatever
F#/C# G#7
If we remember
B/C#
Love is the anchor

VS2:

F# C#/F#
This is not just once upon a time
B/F# C#7/F#
This was fought for through the darkest nights
D#m7 C#/F

For your life I would lay down mine
F#2/A# B
For my dreams you would cross the finish line
F#/A# - B
Some would say it's the fool's way
D#m7 C#
To believe as we do
G#m7 B
But there's nothing that I'd trade
D#m7 C#/F
For the wealth of this truth that

Chorus:

G# Cm7 C#
Love will hold us together
Fm7 G#/D#
None whatsoever could sever
A#m7 G#/D#
This bond that we've built
Cm7 Fm7 G#/D#
No love can weather whatever
A#/D
If we remember
C#/D#
Love is the anchor

Bridge:

C# G#/C D#

Love is the one ammunition that we need
